Why Choose Slide On, Slide Off Campers ?

Light, Luxurious and Loadworthy

+ - 450 kgs VS the + - 1500 kg of typical off-road caravan

FULLY LOADED LUXURY

- Turns your bakkie into a fully loaded, luxurious camper on or off road
- No climbing ladders into roof top tent
- Easy on, easy off so you can use your bakkie for everyday driving
- No towing, no unstable, heavy trailers and caravans
- Easily navigate tough off road terrain and tight turns
- No licensing, no roadworthy
- No hassle, convenient on off home storage

Most models standard with queen size bed, fridge, LED lights, stove, sink, water storage, shower, interior seats and table and many, many more options.
